SEAC SCHOLARSHIP FUND INC.

APPLICATION FORM

The Structural Engineers Association of Colorado (SEAC) Scholarship Fund is awarding two $4,000 scholarships to US citizens pursuing an undergraduate or graduate degree in civil or architectural engineering with an emphasis in structures. Funds are awarded directly to the student and may be used for tuition, housing, books, transportation, or any other expenses associated with their education or cost of living.

Applications are due by 11:59 p.m. on Friday, February 17, 2023.

The application package includes:
1.) Completed application form
2.) Upload of an unofficial transcript from each college/university attended.
3.) Upload of a letter expressing your commitment to a career in engineering.
4.) Upload of a short essay (300 words maximum) discussing your view of the role of the structural engineer in society.
5.) A separate reference to be submitted. **Click Here** to download.

Applicants selected as finalists should be available for an informal interview on the morning of Saturday, March 4, 2023. All candidates selected as finalists will receive student membership in SEAC. Scholarship winners will be announced no later than March 11.

1) Applicant Information

Last Name: _____

First Name: _____

Middle Name: _____

Street Address: _____

City/State/Zip: _____

Phone Number: _____

Email: _____

EDUCATION

2) Current College/University: _____

    Address (City/State): _____

3) In the fall, I will be a full-time:

    ☐ Junior

    ☐ Senior

    ☐ Fifth Year

    ☐ Graduate

4) Engineering Major: _____

5) Current GPA: _____

6) Previous College/University:

    College/University Name: _____

    Dates Attended (Month/Year): _____

    GPA: _____ Degree: _____

7) Previous College/University:

    College/University Name: _____

    Dates Attended (Month/Year): _____

    GPA: _____ Degree: _____
