

SEAC SCHOLARSHIP FUND INC.

APPLICATION FORM

The Structural Engineers Association of Colorado (SEAC) Scholarship Fund is awarding two \$4,500 scholarships to US citizens pursuing an undergraduate or graduate degree in civil or architectural engineering with an emphasis in structures. Funds are awarded directly to the student and may be used for tuition, housing, books, transportation, or any other expenses associated with their education or cost of living.

Applications are due by 11:59 AM Mountain Standard Time on Friday, March 6, 2026.

The application package includes:

- 1.) Completed application form
- 2.) Upload of an unofficial transcript from each college/university attended.
- 3.) Upload of a letter expressing your commitment to a career in engineering.
- 4.) Upload of a short essay (300 words maximum) discussing your view of the role of the structural engineer in society.
- 5.) A separate reference to be submitted. [Click Here](#) to download.

Applicants selected as finalists should be available for an informal interview on the morning of Saturday, April 25, 2026. All candidates selected as finalists will receive student membership in SEAC. Scholarship winners will be announced no later than May 8.
